Not You or Having Trouble? [Try Again](#)

3. Link Your Account

A. Enter the phone number on your Stor-All Account

Pro-tip for Android Users: if you don't see the Green link storage button, you may need to click on the white space or press Done on your keypad to close it.

For iOS users: click in the "white space" to close your keypad.

Verify the units listed belong to you, then click "Next-Verify Units".

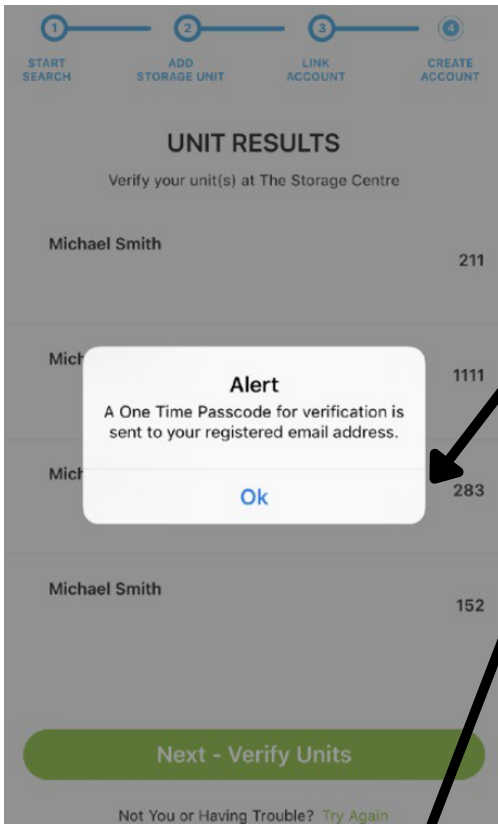

4. One-Time Passcode

Watch for an automatic email to the email address on file with your one-time passcode to MyStorPal.

Be sure to check your SPAM or JUNK folder.

OR

If you need to know which email address you have on file with Stor-All - please call customer service..

That's it! Now just create your login by entering your email address and a password you'll easily remember. Confirm the password by entering it a second time. Then enter the one-time password sent to your email and click "Create Account."
